

# REAL-WORLD SOLUTIONS

## to Get Our Economy Moving Again

### STEP #1: PUT THE FEDERAL GOVERNMENT'S FISCAL HOUSE IN ORDER

- Freeze Non-Defense Discretionary Spending
- Repeal All Unspent Stimulus Funds and Return Them to the Federal Treasury
- Force Congressional Committees to Find and Cut *at Least 5%* in Waste, Fraud and Abuse From Programs Under Their Jurisdiction
- Reduce the Size of the Federal Workforce by Trimming Bureaucrat Jobs and Not Replacing Unnecessary Vacancies
- Fire All Unaccountable "Czars" on the Federal Payroll
- Merge Duplicative Programs
- Eliminate Unnecessary Programs
- Pass a Balanced Budget Amendment

### STEP #2: MAKE THE U.S. ECONOMY COMPETITIVE AGAIN

- Reduce the Tax Rate on Business Earnings
- Make Permanent the Tax Cuts Passed in 2001-2003
- Suspend Capital Gains Taxes for 2011-2012
- Eliminate the Death Tax Permanently
- Reform Tax Law for Business Investment
- Make Permanent the Research & Development Tax Credit

### STEP #3: "DO NO HARM" TO JOB CREATION

- Repeal ObamaCare and Replace it with Real Cost-Cutting Solutions
- Stop the EPA Effort to Implement its Own Job-Killing "Cap-and-Trade" Policy on Greenhouse Gases
- Reject Labor Union-backed "Card Check"
